Assignment 5 Report

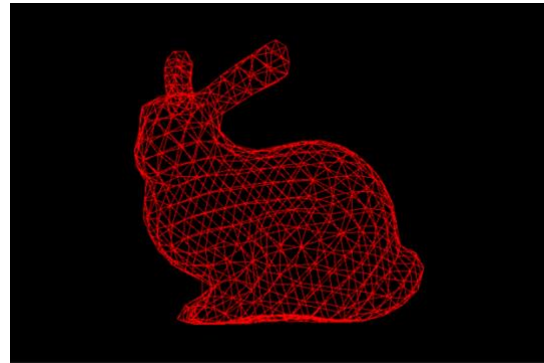

OS: Mac OS Monterey 12.5.1
Compiler: clang-1400.0.29.202

Unfortunately, I started this assignment late and did not complete all parts of it. Despite this I managed to complete exercises 1,2 and 4.

Exercise 1: Load and Render a 3D Model

Exercise 2: Render with a Wireframe

Exercise 4: Camera – Perspective Projection
